BASIC LIFE SUPPORT & ADVANCED CARDIAC LIFE SUPPORT On-line Options

FEE for BLS e-Course and Skills Verification: $75
FEE for ACLS e-Course and Skills Verification: $175

The American Heart Association (AHA) offers self-directed, comprehensive eLearning programs, via the Internet:

- BLS for Healthcare Providers Online part 1
- HeartCode® ACLS Part 1

which are completed and then followed by an in-person demonstration of skills competency at an AHA training center.

Learners may obtain both the course key and completed skills verification through the Gordon Center for BLS or ACLS. Skills verification is done by appointment and ordinarily takes no more than 30 minutes. Available dates are listed in the next section. Select BLS or ACLS e-Course and Skills Verification when registering at www.gcrme.miami.edu.

PEDIATRIC ADVANCED CARDIAC LIFE SUPPORT  1-Day Renewal Course

FEE: $150

This is a 1-day AHA refresher course for those with a current PALS provider card. The video-based, instructor-led course uses a series of simulated pediatric emergencies to reinforce the important concepts of a systematic approach to pediatric assessment, basic life support, PALS treatment algorithms, effective resuscitation and team dynamics. Learners must complete an online pretest in advance.

ADVANCED STROKE LIFE SUPPORT® 1-Day Provider & 1-Day Instructor Courses - NEW 11th edition

FEES Prehospital: $175 Provider Course / $200 Instructor Course / $300 for both
FL EMS #20-212001
FEES Hospital-based: $200 Provider Course / $225 Instructor Course / $350 for both
ANCC contact hours

The provider course addresses the prehospital, emergency department, and stroke unit management of patients with acute stroke. Using interactive discussions, hands-on workshops, multimedia and standardized patients, the course includes rapid recognition of five major stroke syndromes and use of a focused neurologic evaluation to identify stroke, its location, severity, and thrombolytic therapy considerations in acute ischemic stroke patients. Those wishing to become ASLS® instructors must complete both a provider (scoring 84% or higher) and instructor course, be aligned with a registered ASLS® training center, and submit for the ASLS® Instructor Registry.

Visit www.e-gcrme.com for our selection of web-based courses, free to Florida responders:

REGISTRATION:

All live classes take place at the Gordon Center for Research in Medical Education, 1120 N.W. 14 St., first floor, from 8:00 a.m. until 5:00 p.m., unless indicated otherwise. Our Board of Nursing Provider Number is FBN 50-329. Our CECBEMS provider number is UMIA0005.

Classes are subject to cancellation or rescheduling if minimum registration is not achieved.

Fees: Course materials are included, unless otherwise noted. With the exception of the web courses for Florida responders, prepayment of tuition or prior arrangement for departmental billing is required. MasterCard, Visa, American Express and Discover Card are accepted. AHA course materials should be picked up in advance; shipping charges are additional.

Refunds: Refunds or credit for future classes will only be issued with notification of withdrawal at least two days prior to the date of class. Requests for refund must be in writing, include the reason for withdrawal and be received no later than 30 days following withdrawal. Tuition will be refunded minus 15% for administrative costs plus the cost of any course materials provided. Should a class be cancelled or rescheduled, the course fee is refundable in full upon request.

To register: Just click on the Emergency Training heading on the home page at www.gcrme.miami.edu, click on Courses, and select from the menu on the left, organized by discipline.

Contact: 305-243-6491 or umemst@gcrme.miami.edu for more information.

Basic Life Support, Advanced Cardiac Life Support and Pediatric Advanced Life Support taught at the Gordon Center are approved American Heart Association courses. The American Heart Association strongly promotes knowledge and proficiency in BLS, ACLS and PALS and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the American Heart Association, and any fees charged for such a course do not represent income to the Association.

CLASS CANCELLATION POLICY

In the event of an official declaration of emergency status or designation of Hurricane Watch in Miami-Dade County as of 6:00 a.m., any class scheduled on that day will be considered cancelled without further notice. For classes that are cancelled, tuition will be refunded in full or credited for future classes.
